

Saugeen First Nation #29

Saugeen Band Chief and Council Meeting

Monday, July 6, 2026

Meeting Highlights

Department Updates

Maintenance Department

Council reviewed a proposal for a five-year service agreement with Sommers Generator Systems to provide preventative maintenance for Saugeen First Nation's backup generators. [2]

The agreement would cover six generators located at:

- Water Works Building
- Water Tower
- Governance Building
- Recreation Centre
- Elders Building
- Health Centre and Library

Because the contract extends beyond the current fiscal year, Council approval is required to authorize the Band Administrator to sign the five-year service agreement.

This motion was carried
